

Yard Signs

The purpose is to boldly display the Word of God in our neighborhoods—with the hope of planting seeds of truth, connecting Christian neighbors, and sparking conversations about Jesus.

We need lots of people to get involved—**the more yard signs, the greater the impact** ([sign-up here](#))! River's Edge Fellowship is providing the signs. If you can give a donation of \$5, it would be greatly appreciated! However, the BIGGEST thing is that we get these signs out! You can take as many as you can find a home for. Think about other Christians in your neighborhood who would be willing to take one or two signs - maybe you can grab some for them? Let's fill our neighborhoods. Come to the pick-up and tell us how many you need. Either **keep** the sign or **return it** to the door of River's Edge Fellowship at the end of the outreach. We will likely email about future outreaches, so if you keep it/hold onto it, you'll be ready for the next one!

Donations can be made in cash or by check (please make checks out to **River's Edge Fellowship** and write "**yard sign**" in the memo line).

Yard Sign Pickup:

 **Sunday, August 3rd**

 **12:00–2:00 PM**

 **River's Edge Fellowship – ([71 Boulder Hill Pass, Montgomery](#))**

If several members from your church/neighborhood are participating, we're happy to deliver a batch of signs directly to you! Just email pouroutoswego@gmail.com.

Once you have your sign, place it in a **highly visible spot** in your yard so it can be easily seen by walkers, bikers, and drivers. **Please avoid putting up signs in prohibited areas! The Village of Oswego will likely take them down if they are not on your property.**

Here is an example:
